EXPERIENCE

FinnovaCA

April 2026 - June 2026

Software Engineer

Remote

- Solely designed and developed the complete **Finnova CA** web platform using **Next.js, Express.js, MongoDB, and Tailwind CSS**, delivering a production-ready solution for financial advisory and professional services.
- Designed the complete **frontend, backend architecture, REST APIs, and database schema**, ensuring scalability, maintainability, and responsive user experience across devices.
- Implemented **SEO best practices**, server-side rendering, metadata optimization, sitemap generation, and performance enhancements to improve search engine visibility and Core Web Vitals.
- Managed end-to-end deployment, hosting, domain configuration, and collaborated directly with the client to gather requirements, iterate on feedback, and successfully deliver the project within the agreed timeline.

Invigo Infotech

June 2025

Full Stack Developer Intern (MERN Stack)

Purnea, Bihar

- Designed and developed the complete **backend architecture** and **REST APIs** of a **Music Player Application** using **Express.js** and **MongoDB**.
- Implemented secure **JWT-based authentication, role-based authorization**, password hashing with **bcrypt**, file uploads using **Multer**, image storage with **ImageKit**, and cookie-based session management.
- Built a **Banking Ledger System's** Backend Architecture + REST APIs having idempotency key and ledger entry for each transactions, secure MongoDB transaction sessions for data consistency.
- Developed APIs for transaction workflows, and automated **email notifications** while enforcing balance validation, account status checks, and **token blacklisting** for enhanced security.

PROJECTS

CiviSense - Civic Issue Management System | ReactJS, REST API

- Developed a full-stack civic issue management platform enabling citizens to report issues with images, geolocation, and real-time status tracking.
- Built secure REST APIs with **Express.js** and **MongoDB**, implementing **JWT authentication**, role-based authorization, image uploads, and issue lifecycle management.
- Designed separate portals for **Citizens, Organizations, Admins, and Staff**, supporting issue assignment, verification, progress tracking, and resolution workflows.
- Integrated , push notifications, cloud storage, and responsive dashboards while following scalable MERN architecture and SEO best practices.

AI Resume Analyzer | React.js, Express.js, MongoDB, Gemini API

- Developed a full-stack AI-powered platform that analyzes resumes and provides ATS score, keyword optimization, and personalized improvement suggestions.
- Integrated **Google Gemini API** to generate intelligent resume feedback, skill gap analysis, and role-specific recommendations.
- Built secure authentication, resume upload, report history, and dashboard features using **Express.js, MongoDB**, and JWT authentication.
- Designed a responsive React frontend with real-time analysis results and downloadable feedback reports.

EDUCATION

Shri Phanishwar Nath Renu Engineering College Araria

Bachelor of Technology in Computer Science and Engineering | CGPA : 7.51

Aug. 2023 – Present

Araria, India

- **Coursework:** Data Structures, Algorithms, Databases, Computer Systems, Machine Learning

SKILLS

Languages: JavaScript, TypeScript, C++, Python, SQL

Frontend: React.js, Next.js, React Native, HTML5, CSS3, Tailwind CSS

Backend: Node.js, Express.js, REST APIs, JWT Authentication, RBAC

Database: MongoDB, MySQL, PostgreSQL

Cloud & DevOps: Firebase, ImageKit, Git, GitHub, Vercel, Render

Tools: Postman, Figma, VS Code, Notion

OPEN SOURCE EXPERIENCE

Open Source Contributor

2024 – Present

GirlScript Summer of Code, Social Winter of Code, HacktoberFest

Remote

- Contributed features, bug fixes, and UI improvements to multiple open-source projects using React, JavaScript, HTML, and CSS.
- Collaborated with maintainers through GitHub issues, pull requests, and code reviews while following industry-standard Git workflows.
- Successfully completed HacktoberFest'24 contributed during GSSoC and SWOC.
